Be sure to designate "2018 Counting on Santa"

Every little bit helps our elves ensure that we reach more children of various ages served by Catholic Charities of Corpus Christi. The cash donations are especially helpful to purchase items for the older children who are often overlooked. We're also collecting new, unwrapped toys! Your contribution may be tax deductible to the full extent of the law.

Please join us at the **Counting On Santa Collection Roundup** on **Tuesday, December 11 from 5:00-9:00 pm** at **Brewster Street Ice House**, 1724 N Tanchua Street, Corpus Christi, Texas 78401. Come and go as you please or stay a while!

We'll have **live music by Borderline band** and plenty of **holiday cheer** as we give the loot to Catholic Charities of Corpus Christi for distribution and celebrate another incredible year of giving back through Counting on Santa!
